<sup>1</sup>The amounts and sources of distributions reported above are only estimates on a book basis. These estimates may, and likely will, vary over time based on the investment activities of the Fund. The sources of distributions may later be determined to be from taxable net investment income, short-term gains, long-term gains (to the extent permitted by law), and return of capital.

<sup>2</sup>On a tax basis, the estimated component of the cumulative distribution for the fiscal year to date would include an estimated return of capital. This amount is an estimate and the actual amounts and sources for tax reporting purposes may change upon final determination of tax characteristics and may be subject to changes based on tax regulations. The Fund will send you a Form 1099-DIV for the 2018 calendar year that will tell you how to report these distributions for federal income tax purposes. **If you have questions or need additional information, please contact your financial professional or call the Fund's Information Line at 1-855-523-8637.**
